Breakfast for Everyone – Quickstart Guide

What to Do

[Learn more](#)

Pick a program (Breakfast in the Classroom, Grab and Go, or Breakfast After First Period)

- Determine locations and/or how to transport and keep food at the right temperature, etc.
- Work with school nutrition to plan your menu
- Implement your program and create a marketing/ promotion plan to get all students on board

Who Can Help

[Learn more](#)

Get key people to support your plan

- School Nutrition Team
- Principal
- Teachers
- Custodial Staff

Build Interest

[Learn more](#)

Let students, parents, and others in the school community know what you are doing, and get their input

- Create flyers and poster highlighting the Play
- Send information home to families
- Poll students and/or hold breakfast “tryouts” to see which foods appeal to most students

Share Your Results

[Learn more](#)

Highlight your successes and get more help

- Meet with parent organizations for funding help
- Promote the program on your school’s social media

Community

[Learn more](#)

Find ways to make this Play last

- Create a community committee to keep it going
- Get parents involved
