The Educator Dashboard

After signing in to your Fuel Up to Play 60 account, be sure to explore the Educator Dashboard to familiarize yourself with the new layout.

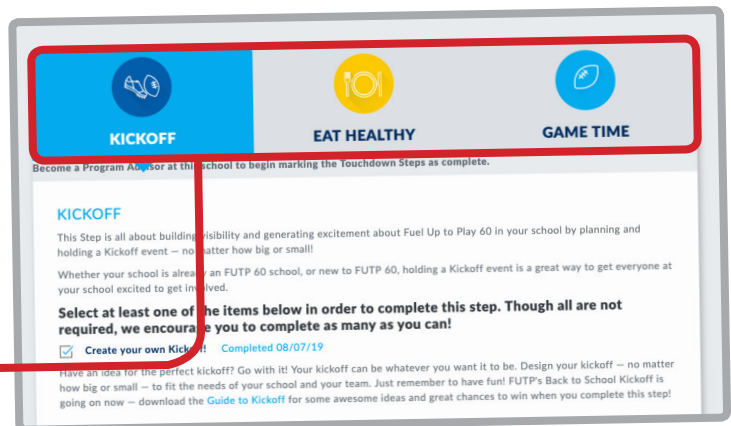

Left Navigation Bar

This navigation bar will allow you to explore your customized Educator Dashboard. From a breakdown of the Touchdown Steps to a message hub for notifications and updates, this bar will let you cycle through all of your personalized content.

The Touchdown Steps

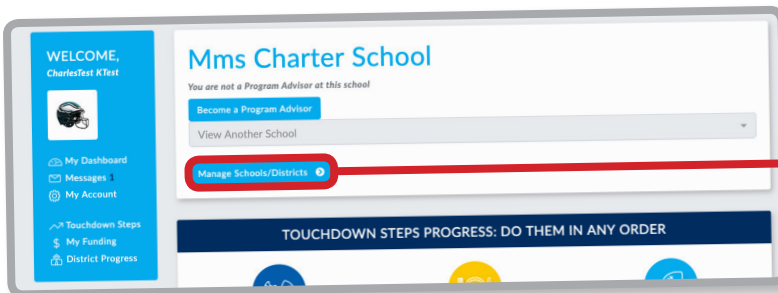

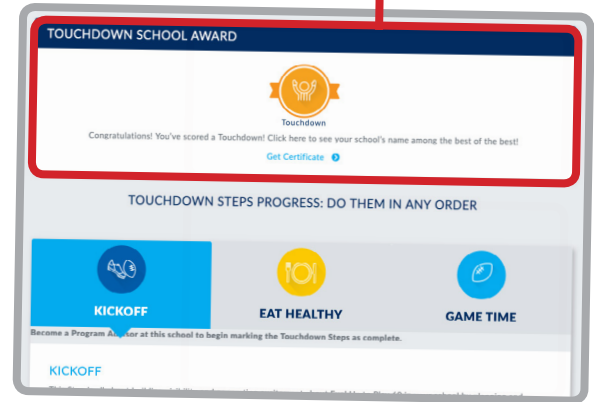

Using the left navigation bar, or by clicking on any of the icons found here, learn more about and report on the various Steps toward Touchdown Status for your school.

Track your school's progress by clicking through the different icons and reviewing which actions under each Step still need to be completed.

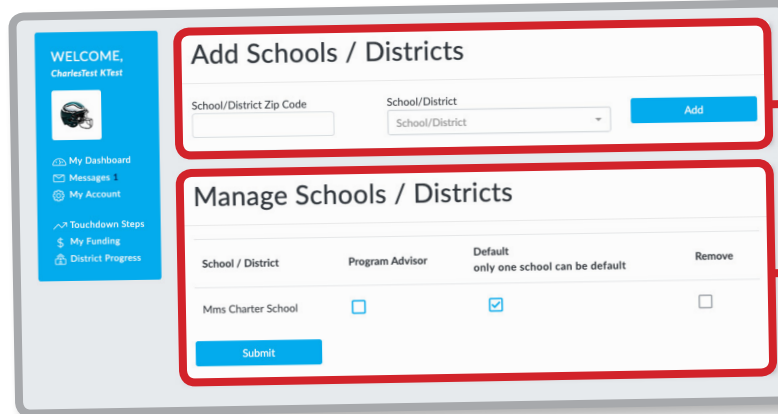

Score a Touchdown

Score a Touchdown by completing the Touchdown Steps on your Dashboard and receive a Touchdown School poster!

Managing Your Schools

If you are involved in the program at two or more schools and want to add an additional school to your Dashboard, click on the "Manage Schools/Districts" link found at the top of the "My Dashboard" and the "Touchdown Steps" pages.

Fill out the form in the "Add Schools" tile, then click the "Add" button to include that school in your Dashboard!

You can select your default school, select whether or not you are a Program Advisor at that school or remove that school from your list using the "Manage Schools" tile.
